

Cost recovery: paying your fair share in waste management

TOGETHER, WE KEEP OUR COMMUNITY CLEAN AND SUSTAINABLE

WHAT IS COST RECOVERY?

A financial strategy
to ensure the
polluter pays

WHY IS COST RECOVERY IMPORTANT?

Encourages to
REDUCE,
REUSE,
RECYCLE,
RECOVERY

Allows
more efficient
services

Fairness
The more you pollute,
the more you pay

Keeps budgets balanced

(CHALLENGES AND SOLUTIONS

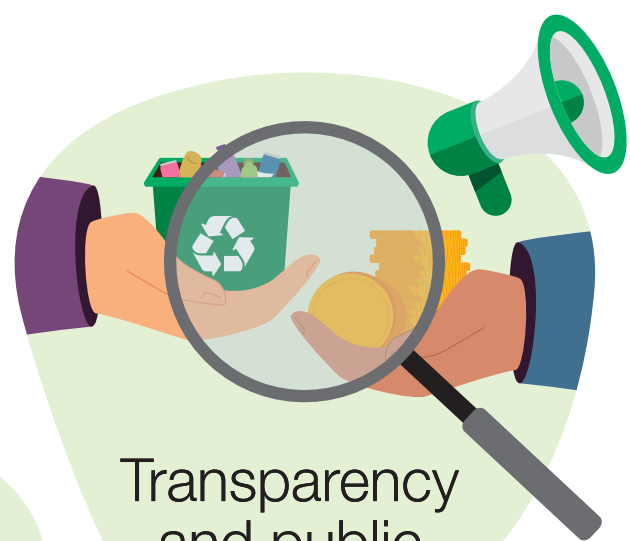

Fair and
equitable
fees

Efficient
billing and
collection

Transparency
and public
buy-in

HOW DOES COST RECOVERY WORK?

Service fee, not a tax.
Fines for polluters.

Go from creating waste to managing it.
Get involved today and talk to your local authority.
