

Solid waste management: Learn how we can handle our trash responsibly in Lebanon

TOGETHER, WE KEEP OUR COMMUNITY CLEAN AND SUSTAINABLE

REDUCE

Less is more: Reduce your waste footprint and make sustainable choices every day.

REUSE

Get it right from the start:
Sort at the source to facilitate recycling.

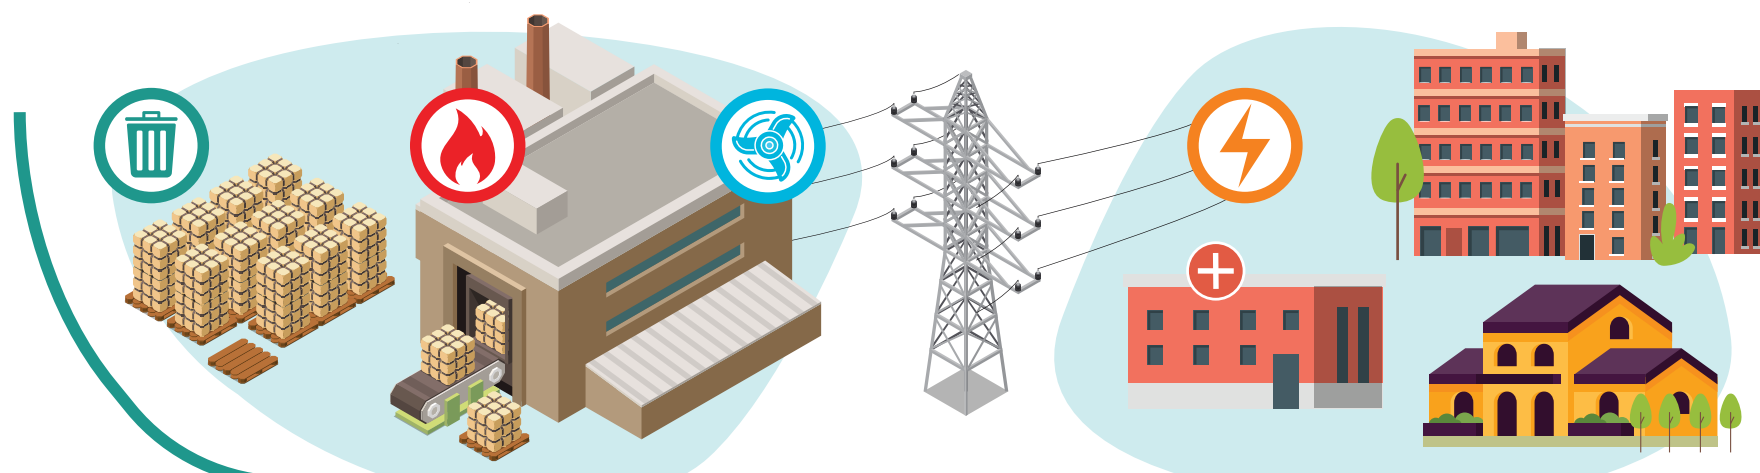

RECYCLE

Avoid contamination:
Keep recyclables clean to maintain their value.

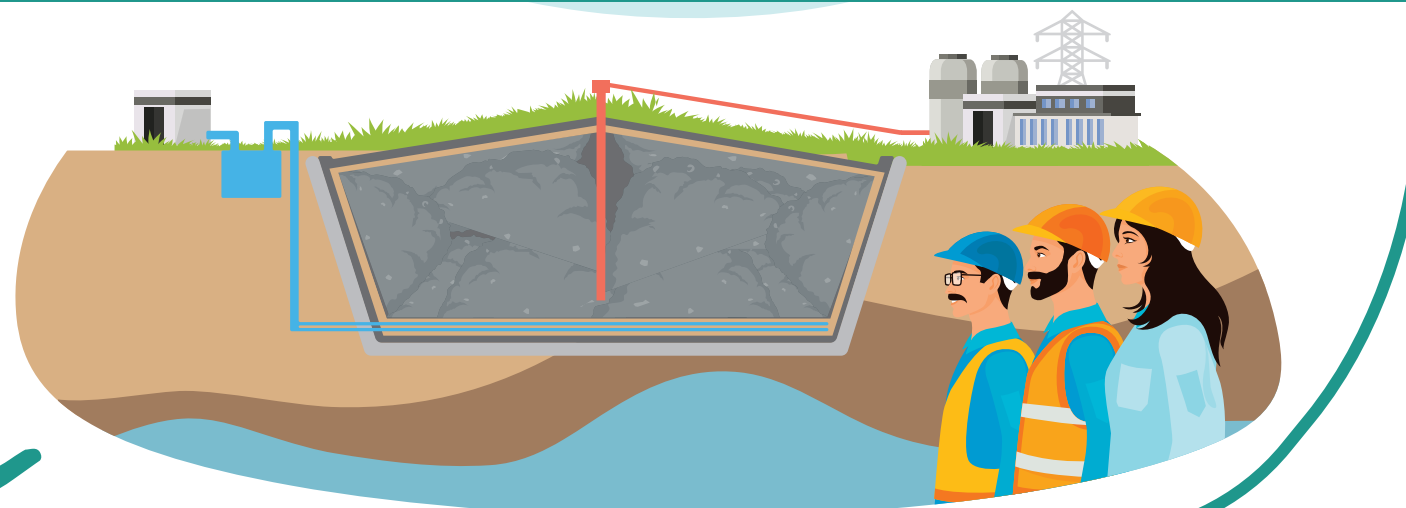

Transform Waste: Sorted items become new products, saving resources and energy.

Turn waste into a resource to power our future.

RECOVERY

DISPOSAL

Be the change. Manage your waste smartly.
